Financial Services and Credit Guide

Country Wealth

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services I offer, as described in this guide, including:

- who I am and how I can be contacted
- the advice and services I can provide
- information about my licensee AMP Financial Planning Limited (AMP Financial Planning)
- my fees and how I, and AMP Financial Planning, are paid in connection with those services
- how I manage your private information
- how you can complain about a matter relating to me or AMP Financial Planning

Documents you may receive

I will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. I may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When I provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products I may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits I and others, will receive as a result of the advice I have provided.

If I provide further personal advice, a financial plan may not be required. I will keep a record of any further personal advice I provide you for seven years. You may request a copy of such records by contacting our office during that period.

If I recommend or arrange a financial product for you, I will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

AMP Financial Planning maintains an approved products and services list, which includes products issued by AMP companies and a diversified selection of approved Australian and International fund managers. These have been researched by external research houses as well as my in-house research team.

AMP Financial Planning periodically reviews these products to ensure that they remain competitive with similar products that address similar client needs and objectives. Generally, I recommend products that are on the approved products and services list. However, if appropriate for your needs, I may, subject to AMP Financial Planning's approval, recommend other products.

A copy of the approved products and services list can be supplied to you upon request.

If I recommend a new platform or portfolio administration service, I use those issued or promoted by the AMP Group or as otherwise approved by AMP Financial Planning and where appropriate to your circumstances.

I am also a Credit Representative of AMP Financial Planning and am authorised to provide credit advice regarding how to structure debt, suitability of existing loan structures and repayment options. If you require advice involving mortgages or other lending products, I can refer you to an Accredited Mortgage Consultant.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Country Wealth is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, I can also arrange for you to apply for limited types of financial products where I can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without my advice, I will ask you to confirm your instructions, which I will document in writing. You can ask me for a copy of this documentation at any time.

Your relationship with me and using my services

You can contact me directly with any instructions relating to your financial products. This includes giving me instructions by telephone, mail or email. I can only accept your instructions via email once you have signed an authority form.

I will work with you to agree what advice and services I will provide and when and how often I will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between me, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with me, please contact me using the details shown in this Guide.

Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, I may transfer my rights and obligations under this servicing arrangement to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If I do this, the new service provider will provide the ongoing servicing to you and will be entitled to the agreed ongoing fees. The new adviser will then take over the rights and obligations on the same terms and conditions set out in this servicing arrangement and I will be released from those rights and obligations. I will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to me

It is important that I understand your circumstances and goals, so that I can provide you with appropriate advice and services. You have the right not to provide me with any personal information. Should you choose to withhold information, or if information you provide is inaccurate the advice or services I provide you may not be appropriate for you.

It is also important that you keep me up to date by informing me of any changes to your circumstances so I am able to determine if our advice continues to be appropriate.

My fees

My preferred method of payment is by an agreed fee. The actual fee charged to you will depend on the nature of the advice or service I provide. I will discuss and agree the actual fees with you before I proceed. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

My agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

I offer you the following payment options for payment of my advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to me. The percentage is determined annually, based on a number of factors, including my business revenue for the prior year.

For details of our service fees, please refer to **Schedule of fees** on page 14.

Other costs

Where other costs are incurred in the process of providing my advice and services to you, you will be liable for these costs. However, I will agree all additional costs with you prior to incurring them.

How I am paid

I receive a salary from Country Wealth Unit Trust and a related entity may receive distributions of profit from time to time.

Other benefits I may receive

The following is a list of benefits I may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives I am eligible for.

In addition to the payments I may receive for my advice and services, I may receive other support services. These can include financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance.

I may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

I may be eligible for Development management and advice (DMA) recognition payments based on my performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of my practice revenue. My DMA percentage will be set annually and may range from 0% to 10% depending on my ranking. The relevant percentage is then applied to my practice revenue and the resulting payments are received twice a month (the 'payment period').

For example, if my DMA is set at 3% and my revenue for the payment period was \$8,500, I would receive $\$8,500 \times 0.03 = \255 . Assuming an average revenue of \$8,500 per payment period, the total DMA payment received in a year would be $\$255 \times 24 = \$6,120$.

How my performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of my practice as compared to other practices in the AMP Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of my services, compliance, my business goals and my engagement with my clients through a measure called Advice Growth Index (AGI). AGI measures the value of my fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

Business growth advice payments

All practices within the AMP Financial Planning network are eligible for Business Growth Advice (BGA) payments. The payments are based on my practice revenue.

BGA payments are set at 1% of my practice revenue. Payments are received twice each month. For example, if my practice revenue was \$8,500 in a payment period, I would receive $\$8,500 \times 0.01 = \85 . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be $\$85 \times 24 = \$2,040$.

Business buy-back option

If I leave the financial services industry or can no longer appropriately service a selection of my clients, and cannot find a buyer, AMP Financial Planning will either look after my clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of my practice and the level of my service standards.

Personal and professional development

AMP Financial Planning provides personal and professional development opportunities in the form of a multi-tiered development program, offered annually to qualifying practices.

Summit

The Summit is a national convention available to advisers from all AMP Financial Planning practices. AMP Financial Planning subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

Mid-tier study tours

AMP Financial Planning will subsidise the cost of my participation in certain personal and professional development programs if I meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of my services, my business goals and my ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. The additional qualification criteria requires long term achievement of the mid-tier study tour criteria. If a practice qualifies for the Amicus program, AMP

Financial Planning will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

Para-planning costs subsidy

I may be eligible for a subsidy from AMP in relation to paraplaning costs, depending on the number of paraplaning requests that I make in a particular month. If my practice submits a minimum of 5 paraplaning requests per eligible authorised representative in my practice, I receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 I will receive a discount of up to \$250 ($25\% \times \$1,000 = \250) and pay a discounted fee of minimum \$750.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of securities (such as shares and rights issues). The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. I may share in this fee based on the level of participation by my clients.

Relationships and associations

It is important that you are aware of the relationships that AMP Financial Planning has with providers of financial services and products as they could be seen to influence the advice you receive.

Our services for Managed Discretionary Accounts

We offer limited types of Managed Discretionary Account services (MDA services) within approved investment platforms. Through these services, you allow us to manage your investments for you, using our discretion and without obtaining your instructions before each transaction we undertake on your behalf. However, we do not (and we are not authorised to) open new accounts, withdraw funds or contribute funds to your investment.

What are the risks associated with using the MDA service?

By authorising us to make changes to your investments, you cannot claim we were not acting on your behalf if we acted within the authority given. Therefore, our acts bind you. It is important you understand what we are authorised to do and that you carefully read and understand the activities that you are authorising us to do on your behalf.

How can you instruct us to exercise rights relating to the financial products in your portfolio?

Generally, the financial products that we invest in on your behalf do not have any additional rights or entitlements attached to them. However, if there are, we will let you know. You can then instruct us how you wish us to proceed.

Do you have to enter into a contract for us to provide MDA services?

Yes. This MDA contract will set out the terms and conditions of the authority and also the investment program, which sets out how your money will be invested. We will agree and prepare the investment program for you based on your relevant personal circumstances, your financial objectives and your needs and review the program every 12 months.

Will the investment program in the MDA contract comply with the law?

If this is relevant, then the investment program set out in the MDA contract will comply with the law. The relevant law is Division 3 of Part 7.7 of the Corporations Act. The contract will also contain:

- statements about the nature and scope of the discretions we will be authorised and required to exercise under the MDA contract
- any investment strategy that is to be applied in exercising those discretions
- information about any significant risks associated with the MDA contract
- the basis on which we consider the MDA contract to be suitable for you, and
- warnings that the MDA contract may not be suitable to you if you have provided us with limited or inaccurate information. It will also specify that the MDA service may cease to be suitable for you if your relevant personal circumstances change.

Do we provide custodial or depository services for your portfolio?

We do not provide custodial or depository services. This means that you will either hold the investments in the portfolio, or the custodian nominated for that financial product will hold them.

This financial services guide complies with the ASIC Class Order 04/194.
